MAINTENANCE PROPOSAL

Ray's Garden Design will perform the maintenance tasks listed below on a **bi-weekly** basis at a rate of **per month on existing landscape** or on a once weekly basis at a rate of **per month for new landscape design**. All quotes are based on four maintenance visits per month. In the event of five maintenance visits in a month, you will be billed accordingly.

Weekly Maintenance Tasks

- Mow
- Edge
- Blow
- Weed Control
- Feed/Fertilize
- Pruning (on trees/scrubs up to 8 feet in height)
- Thinning, as required
- Deadheading
- Hedging
- Periodic Irrigation Checks

For an **additional fee**, we will provide the following services:

Tree Trimming
Seasonal Color Planting
Any Other Landscape Needs
